someone from 2050

Problem that AI solved within the
chosen theme:

3

Pick one of your crazy ideas
from box 4, in this box draw or
describe what the city you live
in would look like in the year
2050, if your crazy AI solution
had been invented.

5

Fill this box with the CRAZIEST ideas of how AI could solve the problem in
box 3!
Write as many as possible.

4

Now think about the
technology itself, what
does it look like? Bonus
points if it isn't just on a
phone!
